Issue No. 8

December 2018

ACTING PRINCIPAL'S REPORT

2018 has been another very rewarding year at Birrong Girls High School. The achievements and the spirit of the students combined with the dedication and commitment of the staff have certainly made this year highly successful.

This success is evident in the students' yearly reports which will be distributed to Years 7-10 students in Week 9 of this term. The reports show that the majority of our girls are committed to the first of the school values, personal excellence (*Ad astra*), and their own learning through their attendance, sound academic results and application to learning. I encourage all parents to read their daughter's report carefully, discuss the teacher's comments with their daughter and acknowledge and praise excellent achievement and offer encouragement for improvement.

We will meet our Year 7 students for 2019 at their **Orientation Day on Tuesday 4 December**. We have enrolled close to 140 Year 7 girls already for 2019 as many families in the local community have heard about the high quality teaching and learning that happens at Birrong and want their daughters to be a part of our success. **Michael Grose**, regarded as one of Australia's leading authorities on parenting, will present a workshop on the Orientation Day. At this entertaining and engaging workshop entitled, *Help, I'm about to have a Teenager*, Michael will discuss a number of strategies and ideas for our new Year 7 parents on coping with adolescents.

The Year 12 class of 2018 worked hard and deserve to do well. I look forward to receiving notification of their **HSC results on Thursday 13 December**. Many will achieve very high Australian Tertiary Admission Ranks (ATAR) and pursue further study at university or TAFE, while others will enter the workforce. Regardless of their results and ATAR scores, the values of personal excellence, respect, responsibility, cooperation, integrity, understanding, tolerance and inclusion integral to this school and public education, will serve them well. They leave this school well prepared for life-long learning with skills and knowledge to take their place as active and caring citizens in our society. They can be proud to have been students of Birrong Girls High School.

I would like to thank all members of the school community, staff, parents and students for your support over the past two terms while I have been Acting Principal. I have worked to continue the high standards expected of all at Birrong Girls High. I once again would like to thank Ms Fletcher for her ongoing contributions in making Birrong Girls a strong, focused school and we look forward to meeting Ms Dabaja as her strong leadership will continue to maintain high expectations across our school community.

Congratulations to...

- Ms Dianne Trinh who was recognised for her outstanding leadership and commitment to school improvement at the DoE Network Celebration event on 21 November.

ANNUAL PRESENTATION DAY

An invitation is extended to all parents and students

of Birrong Girls High School to attend our Annual Presentation Day on **Monday 10 December 2018**

Please arrive 11:45am for 12:00pm start

The venue for the function will be **Bankstown Sports Club Theatre
8 Greenfield Parade, Bankstown**

- Sarah Al Helfy (Year 11) who received the Auburn Review School Citizenship Award at a ceremony on 8 November and the Jason Clare Award on 22 November.

- Andrea Ung and Cassidy Banh (Year 11) who received the Victor Chang School Science Award at the University of Western Sydney on 1 November. Andrea and Cassidy received this award for their interest in science and their consistently high results. The award was presented by Ann Chang, the widow of Dr Victor Chang, Australia's pioneering cardiothoracic surgeon and a respected humanitarian. Part of the prize is to visit the Victor Chang Institute which in collaboration with other medical and scientific institutions around the world conducts research into how to prevent diseases related to the heart and how to treat children and adults with heart ailments.

Thank you to...

- All the teachers and the administration staff who have worked so hard and selflessly throughout 2018 to make Birrong Girls such an exciting, interesting, dynamic and successful school. Their efforts are appreciated and celebrated by our girls in classrooms every day.
- The small and dedicated band of parents who contribute their time and energy to the school's P&C.
- To the Relieving Deputy Principals, Ms Andrews and Mr Saule, and all our Head Teachers for their hard work and incredible support throughout a very busy and demanding year.

Happy Holidays!

On behalf of the school, I would like to wish you all a happy, healthy, safe and relaxing holiday and a happy new year.

Best wishes.

Renee George
Acting Principal

REPORT FROM THE RELIEVING DEPUTY PRINCIPALS

As the school year for 2018 draws to a close, it is a great time to reflect on personal and whole school community achievements.

Foremost is our school commitment to the delivery of Quality Teaching. Birrong Girls High School teachers take enormous pride in the quality of the teaching which occurs in each classroom. Our ongoing Quality Teaching Partnership with Newcastle University continues to improve the effectiveness of lesson delivery, assessment of student understanding and assists teachers to improve the value of teacher feedback to students and parents.

In addition to this, during the year, students of Birrong Girls High School have been honoured and rewarded for their continued application to their learning. Recently, Sarah Al Helfy of Year 11 was commended for her drive and dedication towards school, sporting and leadership endeavours at the Auburn Youth Citizenship Awards evening.

We welcome all parents to celebrate student achievements by attending the School Presentation Day at Bankstown Sports Club on Monday 10 December, a time to acknowledge the great achievements of our girls.

Year 7 Swim school is scheduled for Thursday and Friday of Week 8. This is a very important activity. Not only is swimming great for health and wellbeing, being able to swim increases a child's safety around water.

Year 9 students travelled to Canberra on 16 November to visit Questacon, the National Science and Technology Centre. It was a very long day for students and staff alike but the opportunity to engage with more than 200 interactive exhibits relating to science and technology ensured the day was worthwhile. On Monday 19 November students had the opportunity to demonstrate their leadership skills by assisting at the Year 5 Enrichment day, escorting and supporting the Years 4 and 5 students around the school to experience a typical day at high school. They also attended a Maths excursion to Luna Park on Monday 3 December.

We hope the Year 7, 8 and 9 students attending the Attendance Rewards Activity Day have a great time and enjoy all the activities at Teen Ranch. It is a great day to reward students who have shown dedication and commitment to their attendance over the year. Excellent attendance has a positive impact on the achievement of educational outcomes.

Year 10 students who had not yet met the HSC Minimum Standard benchmark of Band 8 based on their NAPLAN results last year were given the opportunity to sit online tests in numeracy and literacy. Of the students who took up the offer of tuition, 80% were able to demonstrate the minimum standard required. Any students who have not yet been able to satisfy this requirement will be given further opportunities to re-sit the tests next year. Students are completing their second work experience block in Week 8 and have the opportunity to gain valuable work place experiences. Thanks to Ms Wailes and Ms Shinas and the Year 10 teachers who will visit and mentor students whilst they are out in the *real world* of work. Year 10 students will remain hard at work as they complete 'All My Own Work', a mandatory NESA requirement for all students entering Year 11. Year 10 students concluded the year with leadership training, as they all participated in Peer Support Training. They will enjoy a wellbeing day on 12 December at Treetops Adventure Park.

Year 11 participated in the mandatory PDHPE 'Life Ready' program on Friday 23 November. The day provided students with a greater understanding of the consequences, both positive and negative, of personal choices in various life situations. The students experienced presentations by young adults whose lives have been affected by risk taking behaviours and poor life choices.

Year 12 students have officially signed out of school and their next highlight was attending their formal on 29 November, a night that celebrated the end of this chapter of their lives. We wish them all the very best with their future endeavours.

The last day of the year for all students is Wednesday 19 December. All students are expected to be at school on time every day in full school uniform up until that day.

Mr Saule and Ms Andrews
Relieving Deputy Principals

WELFARE MATTERS

Auburn Review 2018 School Citizenship Award

Congratulations to Sarah Al Helfy who was awarded with the 2018 Auburn Review School Citizenship Award.

Sarah Al Helfy was nominated for the award as she is an outstanding and dedicated young woman demonstrating strong educational commitment and leadership making her a positive role model and the School Captain elect for 2019. She has a strong sense of citizenship which is demonstrated by the teams she has been an active member of and the time she volunteers to the school community. She has supported Year 7 students in the Peer Support program and as a peer reading tutor. Sarah has also been a helpful Library Monitor over several years. Sarah has volunteered and assisted at the Parent/Teacher evenings, CAPA/Drama showcases and the Zonta birthing kits assembly. In the community she has volunteered at the Bankstown Youth Festival and she is a member on the Bankstown Youth Committee and on the ACYP group advocating for youth. She has been an active and hardworking member of the Amnesty, Debating and Media teams and has proudly represented the school at STEM, ABCN Focus Leadership and Global Dignity Day programs.

High Resolves Global Citizens and Leaders Program for Years 10 and 9

Year 10 students engaged in an active workshop on Monday 26 November which focused on the skills of communications that ensure effective collaboration.

Year 9 students will engage in workshops on 6 December that will focus on enhancing communication, negotiation and collaboration skills.

The Welfare Team members thank the parents and guardians of our school community for their ongoing commitment and efforts in supporting, guiding and encouraging our students to work hard to reach their potential and to be the best person they can be. We wish all our students and their families a wonderful school vacation and look forward to a very bright and successful 2019.

Ms Salvagio
Head Teacher Female Students

CAREERS NEWS

ASPIRE Uni for a Day

20 selected Year 7 students were fortunate enough to attend the University of NSW last week through our partnership program 'ASPIRE'. Our girls toured the campus, experienced uni life, enjoyed the food facilities and participated in practical activities through the Art and Design faculties. These activities included clay making, using plants to tie dye material, screen printing, 3D printing and the very fun green screen. The behaviour of our students was outstanding with very positive feedback from ASPIRE staff and all of the girls commented on how much they enjoyed this excursion.

ASPIRE Design Thinking Challenge

5 selected Year 9 students attended the University of NSW last week through our partnership program 'ASPIRE'. The students were given the opportunity to work collaboratively with other schools to brainstorm, design, create and present an environmental solution to an issue. Our girls thoroughly enjoyed this experience and learnt about specific university faculties, courses on offer and future careers.

Year 10

Year 10 will be completing their second and final Work Experience block in Week 8. We wish them all the best and hope that this experience is enjoyable for the girls and helps to support their career decision making.

Year 11

60 Year 11 students registered and attended Western Sydney University's U Day at their Parramatta South campus this term. Students were given the opportunity to see uni facilities, learn about courses/careers/pathways, meet uni staff and ask any questions they had. Our girls really enjoyed this experience and there was increased motivation and aspirations displayed at the end of the day. The students created their own timetables for the day by selecting particular workshops they were interested in learning more about. Thank you to Ms Zomaya and Ms Waltho for attending this excursion with us.

Ms Wailes/Ms Shinas
Careers Advisers

Privacy and Communications

Throughout the year, the school will be publishing examples of student work as well as names and photographs of our girls in publications such as the local newspapers, the Birrong Bulletin, the school magazine and even the school's website. If you have any objections to your daughter's work, name or photograph being published in this way could you please inform the Principal in writing as soon as possible.

LIBRARY NEWS

Term 4 has been busy with activities that appealed to a range of students. Mrs Hotton has a vibrant and excited knitting group which has knitted squares and poppies. In particular we shared skills on how to knit poppies for our Remembrance Day arbour display. The Minecraft and STEM activities have also proven to be popular. The library is a learning hub at lunchtime!

Knitting group

We had two author visits. Nadia Jamal, ex-student of Birrong Girls and author of a new book *Headstrong Daughters: Inspiring stories from the new generation of Australian Muslim women* spoke to Year 10. She outlined not just how she became fascinated with the variety of experiences of Australian Muslim women but also how she followed her dream career to become a journalist. Susanne Gervay, author of *I am Jack* and many other Children's and YA novels presented the library with a portrait of Nam Le, award winning author of *The Boat*. She signed the library's copies of her works and also spoke about the plight of refugees to the Prefects.

A portrait of Nam Le was presented to the Library

The 2018 NSW Premier's Reading Challenge Certificates have arrived and we will find a suitable day to distribute them to the 29 students who completed the challenge. This year 4 students will receive Gold Certificates and 7 students will receive Platinum Certificates.

Mr Davidson
Teacher Librarian

KOALA AWARDS

On Thursday 8 November, 25 students were accompanied by Mr Davidson to the Koala Awards ceremony held at Cranbrook Junior School. It was an amazing excursion that opened our eyes to the fanatical world of literature and reading. The students were invited to celebrate the successes of Australian authors and illustrators, such as: R. A Spratt, author of the *Nanny Piggins* series, James Hart, illustrator of the *Cosentino* series and Morris Glietzman, most famous for his *Once* series.

Not just the events but the journey itself was a pleasure. We had the joy of catching a ferry to Rose Bay and seeing the harbour in all its beauty. Arielle, Natania and Amani had the privilege of making the speeches for the 2018 KOALA legend, Belinda Murrell.

Later the Children's Laureate Morris Glietzman drew out Birrong as the Lucky Door Prize. We won a charcoal drawing of a meerkat!

Aura Parker, Artist

By: Arielle, Natania and Amani

YEAR 7 SCIENCE/STEM ACTIVITY DAY

On Friday 23 November, volunteers from the University of Technology Sydney Engineers Without Borders and Robotics Clubs came to Birrong Girls to run an all-day event for Year 7 students. Every student participated in 3

engineering workshops and a coding workshop across the day.

The engineering workshops included designing and building a floating house that would carry as many marbles as possible to simulate a floating house on the Tonle Sap River in Cambodia. This gave the students an experience of the work that civil engineers do.

Another engineering workshop focused on electrical and renewable energy and students were tasked with creating a wind turbine simulation that produces as much electricity as possible.

The prosthetic limb workshop focused on biomedical engineering and challenged students to create a prosthetic hand under time and resource limitations.

The coding workshop showed students how sound visualisation works and tasked them with processing sound with code to create visualisations.

The students were engaged and excited to have a full day of hands-on activities. The volunteers were impressed with the enthusiasm of the girls and their ability to plan for the tasks and ask insightful questions.

By: Science Faculty

YEAR 8 JAPANESE CALLIGRAPHY WORKSHOP

On 21 November, Year 8 LOTE students had the opportunity to take Japanese calligraphy lessons from members from the Japanese Consulate of Japan. The students were taught the form of Japanese Calligraphy, Shodo and was run by Mr Hideaki Matsuo, the Deputy Consul-General of Japan, Sydney. Students were taught about the history and importance of kanji, and the appropriate posture to ensure quality of writing.

By: LOTE Faculty

LIFE READY PROGRAM

All of Year 11 took part in the new Life Ready program. This is a mandatory program in the senior curriculum which delivers important information about relationships, drug issues and road safety. It gives our students the information and skills needed to make educated and informed decisions. The program involved agencies such as Galmatic: "Creating Confident Women Behind the Wheel" road safety program, Mindfulness and yoga work shop and Family Planning NSW works shops on relationships and sexual health. During the mindfulness workshop students were given time to reflect, strategies to gain confidence and to develop a strong self-concept. Family Planning NSW informed our girls about safe sexual health practices and addressed gender issues and contraception. The Life Ready program was evaluated by both students and staff with overwhelmingly positive feedback by all involved.

By: PDHPE Faculty

STEWART HOUSE PROGRAM

This term we were given the opportunity to go to Stewart House in Curl Curl. We spent two weeks there and it was the best experience ever. If you ever get offered the chance to participate you should accept as the things you do there are amazing.

At Stewart House every second day we participated in excursions. During these “out” days we went to Taronga Zoo, ten pin bowling, Sydney Olympic Park, Ryde aquatic centre and the Powerhouse Museum.

During the “in” days spent at the centre we participated in social skills workshops, jewellery making, drawing and ceramics. Each afternoon we went to the rock pool where we played games and went swimming at the beach.

We believe it was one of the best opportunities that we have been given and we had lots of fun.

By: Chloe Harris, Calais Jones and Monycka Baker-Williams

YEAR 9 SCIENCE QUESTACON EXCURSION

Very early morning on Friday 16 November, Year 9 students left school for a day trip to Canberra where they attended the fun, scientific and technological centre named Questacon. Although the road trip was 3 hours long, students enjoyed stopping for a break at McDonald's in the Southern Highlands.

Once we arrived at Questacon, all the students had the opportunity to explore and discover a range of science and technological phenomenon through a range of interesting presentations, activities and information booths. Students thoroughly enjoyed getting dressed up in

protective orange jump suits to do the ‘free fall’ slide and viewing realistic images of the moon.

At the end of the day students were pretty exhausted but they enjoyed the experience and hope to attend again in the future.

By: Science Faculty

BIRRONG GIRLS RECOGNISED AT VICTOR CHANG AWARDS

On Thursday 1 November, two Birrong girls were recognised for their efforts in studying Science. Cassidy Banh and Andrea Ung of Year 11 were part of a select group who received the award from the Mayor of Bankstown, Khal Asfour. The award includes a behind the scenes visit to the Victor Chang Cardiac Research Institute to see the work being done and meet some of the scientists working to find solutions to the problems being faced by members of the community.

The ceremony began with an address by Khal Asfour. He spoke of his experience growing up wanting to peruse a career in politics because he felt that would allow him to improve the world. However, he now believed that it is scientists that change the world by finding solutions to complex problems and improving the lives of many who would otherwise struggle to survive.

The second guest speaker was Dr Eleni Giannoulidou representing the Victor Chang Cardiac Research Institute. She spoke of her journey as a young girl growing up in Greece before attending Oxford University in England to develop her data management skills. Although not a research scientist, her role is to develop software that processes enormous amounts of data to allow scientists to understand the results of the experiments quickly.

The final presentation saw a video of the late Dr Chang and the work he did in pioneering heart transplants and establishing the Victor Chang

Cardiac Research Institute research facility focused on improving the lives of people suffering heart disease.

It was pleasing to celebrate the girls' achievements and witness the pride their families had of their achievements.

Mr Saule
Relieving Deputy Principal

Dr Eleni Giannoulitou, Cassidy, Andrea and Mayor of Bankstown, Khal Asfour.

HALOGEN NATIONAL YOUNG LEADERS DAY

On 2 November, the Prefect Body attended the National Young Leaders Day at the International Convention Centre in Darling Harbour. Students from across the state gathered to listen to the speeches of prominent leaders from all walks of life on their journey to success.

The National Young Leaders Day consisted of keynote talks from Olympic Swimmer Cate Campbell, Scientist Dr Jordan Nguyen, Australian Women's Cricketer Holly Ferling and Sean Purcell from the Cotton On Foundation. Throughout the day, multimedia presentations and interactive learning allowed us to seek a range of outcomes that motivate us as leaders. By sharing their

experiences, we were inspired to become more resilient and positive leaders. Each speaker shared a message that we could translate into our own lives. Overall it was a day that provided each individual with valuable life lessons.

Ms Boyle
Prefect Coordinator

2019 PREFECT SAILING

On the 31 October, the Prefect Body was offered the opportunity to engage in the Freedman Foundation's Schools Youth Sailing Program Orientation Day at Sydney Harbour. On the day, we were informed with a presentation about the safety precautions, emergency procedures and the race course. We were then divided into groups of 2-4 and were directed to different super maxi racing yachts. Many of these yachts have competed in the annual Sydney to Hobart race.

We then competed in a twilight race from Rushcutters Bay to Shark Bay, with members of the Cruising Yacht Club of Australia. As the yachts departed the marina, we set sail to the selected locations for the race. We sat on the deck of the boat and had the opportunity to observe the crew and enjoy the great harbour views. Overall this day allowed us to bond as a group and take part in a rare opportunity. Our next step will see us learning to sail smaller boats with the assistance of an instructor. It was an incredible and exciting experience that we are happy to have been a part of.

By: Prefect Body

QUICKSMART PRESENTATION

On Monday 19 November, we held our end of year presentation. This presentation was a celebration for our QuickSmart students in Years 7 and Year 8 receiving their graduating certificates and for Term 1, 2, 3 and 4 student champions.

Mr Atteya, Ms Turkoz and Ms Hmeidouch were proud to acknowledge and award the recipients and students with their trophies and certificates. The awards were given to the students who have had outstanding results and commitment while on the QuickSmart program. All QuickSmart students were congratulated and celebrated with parents, staff and students for their continuous efforts and achievements during the course of the year. Our award recipients are as follows:

Champions Term 1:
Lamita Khatib, Year 8
Amani Zalfa, Year 7

Champions Term 2:
Joumana Amara, Year 8
Layla El-Eter, Year 7

Champions Term 3:
Lynda Ismail, Year 8
Chloe Harris, Year 7

Champions Term 4:
Ayah Zalfa, Year 8
Shahd Asale, Year 7

Ms Hmeidouch
QuickSmart Program

QUICKSMART SHOPPING EXCURSION

On Monday 26 November, the QuickSmart students attended Westfield Burwood. We travelled by train and when we got there we had our morning tea at the food court. After that we went to our first journey through the shops visiting Typo, Collette and Sunney Life. As we went to the other shops we had to work out how much something was when it was labelled 50% off and if we wanted to buy more than one item we would add them altogether and find out the total cost. We later went shopping at Target, K-mart and the Body Shop. We had lunch and had about ½ an hour left for a shopping spree. On our way back to the train we stopped at 7/11 and Boost to get some cold drinks. We all loved this shopping experience and we had loads of fun!

**By: Shayma Abdel Qader and Chloe Harris,
Year 7**

EDMONDSON CUP

Students in Year 7, 8 and 9 participated in the Edmondson cup in Week 6. Students were selected to play Touch and Volleyball against our zone schools, Bankstown Girls, East Hills Girls and Liverpool Girls.

Students participated competitively and developed new skills while maintaining sportsman like behaviour. Although Birrong Girls won several games, Bankstown Girls won both Touch and Volleyball in the Grand Final.

A big thank you to Victoria Heywood, Anaseini Rokolati, Josephine Taufu and Aliyah Lahega of Year 10 and Lataisiyah Malasia of Year 11 for their assistance in managing and coaching teams and refereeing on the day.

By: PDHPE Faculty

Parents are reminded that the last day of the 2018 school year for Years 7, 8, 9, 10 and 11 students at Birrong Girls High School will be **Wednesday 19 December**. School development days will be held on Thursday 20 December and Friday 21 December.

School development days at the start and end of semesters allow teachers to undergo further professional training.

Note: School speed zones operate on all notified school days, including school development days.

FREE fun program to help kids become fitter, healthier and happier!

Do you have children **7 to 13** years old? Are you worried about their weight?

To find out more and register:

www.go4fun.com.au

SCHOOL OPAL CARDS FOR 2019 TRAVEL

All students must keep their School Opal cards for travel in 2019. These cards will be automatically deactivated for school holidays and then reactivated for school travel in Term 1.

Current School Opal cards can be updated with changes of school, home address or operator by visiting <https://apps.transport.nsw.gov.au/ssts/updateDetails>. Changes to School Opal cards need to be submitted before 31 December 2018.
